

Compat ella[®]

Compat Ella[®] Pump Combiset 1L ENFit[™]

The Compat Ella[®] Pump Combiset 1L is intended for administration of enteral nutrition, fluids or medication and is suitable for use with the Compat Ella[®] feeding pump. NON-Sterile.

Features at a glance

Built-in Safety: All Compat Ella[®] administration sets feature patented fail-safe **Auto-Anti-Free-Flow (AAFF)** technology. AAFF is incorporated into the cassette and is always automatically activated to ensure patient safety.

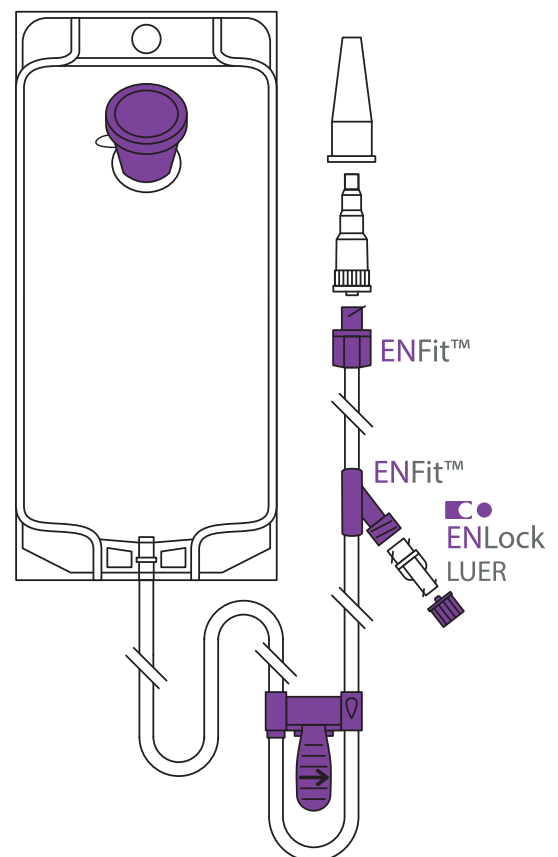

Safer Connectors: The ENFit[™] connector is designed to be **IV INcompatible** to promote **patient safety** by helping to avoid accidental misconnections.

Convenience: The integrated 1L reservoir offers a convenient open system with a **built-in hanger and screw cap**. The **large top-fill opening** allows to refill the bag with nutrition or water without stopping the feeding program, or removing the reservoir from the hanger.

Food Safe Materials: All Compat Ella[®] administration sets are **DEHP, BPA and Latex-Free***. The Flexibaggle[®] 1L reservoir is made of Ethylene-vinyl Acetate (EVA), a soft and food friendly material.

Convenient:

- Enteral feeding tubes: ENFit[™], ENLock, Funnel**
- Medication dispensers: ENFit[™], ENLock, Oral, Luer
